This product should be stored and used in accordance with good industrial hygiene practices and in conformity with any legal regulations.

This Information is based on our present state of knowledge and is intended to describe our products from the point of view of the safety requirements. It should not therefore be construed as guaranteeing specific properties.

It is up to the user/distributor to ensure that the information contained in the MSDS is relevant to the product manufactured/handled or sold by him as the case may be. Colour Chem. makes no warranties, expressed or implied, in respect of the adequacy of this document for any particular purpose.

#### How to order for hand washing

1. Remove hand and arm Jewellery.
2. Wet your hands with warm water.
3. Add Cleanex Hand Wash and than rub your hands together making a soapy lather. Do this away from the running water for at 15 seconds, being careful not to wash the lather away. Wash the front and back of your hands.
4. Rinse your hands well under warm running water.
5. Put hands dry with a paper towel.
6. Turn off water using same paper towel and dispose.
