

Real[®]
Neopol[™]

All Shiner

Neopol **All shiner** is a water based formula with a superior blend of silicones, this product designed to all kind of surfaces like stainless steel, chrome, formica, plastic, leather and more hard and soft surface.

All shiner creates bright durable shine, non-oily protective finish plus it leaves a protective coating. It quickly and easily applies an even polish coat to maximize the appearance.

Quick, convenient and effective, No dripping, No over spray, one step process

Direction

- (1) Apply a small amount of product onto surface that is to be polished.
- (2) Wipe immediately with a soft clean cloth until the surface is shiny.
- (3) For vertical surfaces or upholstery, apply directly on to cloth then polish.

do not use on floors and glass
